No! Do Not Recycle These Items:

• No Plastic Bags — **NOTE: Recyclables CAN be placed in plastic bags to avoid fly-away items.** We do encourage the use of plastic bags to hold other recyclables such as loose or shredded paper, and especially packaging “peanuts”, which are difficult to keep contained. Please tie these bags securely to prohibit them from flying out of the recycling truck. When disposing of plastic bags in your regular garbage can, please bundle them up into one bag and secure them well to keep them from littering our streets.
